

A train journey

Have you been on a train before?

Where did you travel to?

How long was the journey?

What did you see when you looked out the window?

Where would you like to travel to on train?

What do you need to get onto a train?

How does a train move?

How do you know what time the train leaves at?

Transport

A train is a type of transport, it helps us to go around and travel.

Can you name any more modes of transport?

Sort ways of transport into land, sea and air.

How do you get to school?

How do you get to the shops?

What did you travel on to go on holidays?

What is your favourite way to travel?

Which types of transport are best for the environment?

Which types of transport harm the environment?

What was the longest journey you've ever been on?

Have you ever seen transport in another country that we don't have in Ireland?

Can you explain what these words mean?

Can you put them into sentences? (no need to write them, just say them out loud)
