

Today is the 9th of September. It is Danny's birthday. He is 7 years old today.

1. What month is it?

2. On what day of the week is Danny's birthday?

3. How many Mondays are in September?

4. What age was Danny yesterday?

Danny invites 9 boys and 3 girls from his class to his party. They all come except Luke. Luke cannot come as he is sick. 6 of the children bring presents.

5. How many friends does Danny invite altogether to his party?

6. How many children come to the party?

7. How many more boys than girls does Danny invite to the party?

8. How many more presents does Danny need to make 10 presents?

Danny's Mum brings out the cake. There are 4 candles on the cake. Danny looks at the cake. "No...", shouts Danny. "There should be 7 candles on the cake."

9. How many candles are on the cake?

10. How many more candles does Danny's Mum need to put on the cake?
