

Parents of children in 6th Class

SECONDARY SCHOOL

ADMISSIONS

Dear Parents and Guardians,

Many local secondary schools will be holding their Open Days over the next week or so. I'd encourage parents to attend as many as possible to get a feel for what each school offers and what might suit your child best.

Helpful information

Enrolment applications for many local secondary schools open in early October, and you'll have several weeks to get your application in.

Enrolment information and application forms are available on each school's website. If you need a hand, just drop into me in the Parents Room and I can give you a form.

Check each school's website for the application closing dates and make sure you apply on time. The earlier you apply, the better!

It is very important that you apply to a few schools in the area, as there may be a high demand in a certain school, and places are not always guaranteed.

If you need any help or advice, please contact me on 0892535012. I will make contact with everyone over the next few weeks to make sure there are no problems. Many thanks, Ciarán.
